## ***SCHOOL CAPTAIN SPEECHES***

Good Morning,

My name is Jye, as most of you would already know. I would like to be the next School Captain of Raywood Primary School. I am 11 years old, turning 12 in August and I think that I am ready for the new responsibilities being School Captain would bring. I live in Raywood with my Mum, Jase, Tyler, Diezel, Cloud & Dozer. I also have three other brothers and two sisters. I love footy. I barrack for the Dockers and I have just started playing for the Eaglehawk under 12A's. One day I'd love to play for Freo. I believe a good School Captain should set a good example to the other students by behaving appropriately at all times. I will always try to do my best, be kind to others, listen to any problems and try to find a solution to your problem.

Good morning everybody,

My Name is Brad.

The reason why I should be School Captain is because I have spent my last 11 years attending this School. Nearly 7 years as a student and 5 years of being involved at Raywood Primary School.

Over the years I have seen a lot of changes, but one thing that hasn't changed is we have always been a 'School with a Heart!

So like my siblings before me, I feel that I would be an excellent School Captain.

Thanking you for listening.

### **RAYWOOD PRIMARY SCHOOL** **SCHOOL CAPTAIN SPEECH.**

Good morning Mrs Colbert, Teachers, Parents & Students.

My name is Amelia Riley. I have been a student at Raywood Primary School for 7 years. I would very much like to represent our school and students by becoming your School Captain.

Firstly, I would like to thank the school for giving me the chance to prove I can be a great leader and role model. I really love this school and what it stands for. When I wear my school uniform I am filled with pride that I belong to a great school.

I can't promise you things like Coca cola drinking taps, lots of days off or McDonalds for lunch every day. But I can promise that I will try my very best to listen to what you have to say and any great fun activities we could do for fun days, like the end of term days. I love to do cooking with Yoli. We could have special food days for example a cupcake day.

I like to lend a helping hand in the classroom and the playground when I can. If anyone is feeling lonely, sad or have not got someone to play with remember you can always come to me and I will try my very best to make you happy.

Thank you for giving me this chance to be your School Captain.
