CLUSTER FOOTBALL REPRESENTATIVES

We have 3 boys representing Raywood in the Cluster Football at Echuca next Wednesday. Congratulations Daynen Stageman,

Jye Rasmussen & Ryan Derrick.

Enjoy the Day!!

Remember these Dates:

CAMP—The Grade 3/4 Camp is at Billabong Ranch in Echuca.

From: Wednesday the 5th of August to Friday the 7th of August.

SWIMMING is in Term 3. We travel to the Eaglehawk heated pool by bus. **The cost is \$40 per child for the week.**

The Swimming Dates are **Monday the 10th** of August to **Friday the 14th** of August.

The School subsidises the cost of the Bus.

Message from the Principal

Bernie & I are going to Thailand for 2 weeks after the School Holidays.

I will be back on Monday the 3rd of August!

Mrs Lightburn will be Acting Principal.

Thanks, Lynne

SCIENCE DAY

Grade 1

I went on last Friday to Science Day to have a lot of fun. I went in Leanne's care. I went with Millie, Daynen, and Molly. We made a balloon rocket. You need fishing line, you need a

balloon and a piece of sticky tape and a straw. You blow the balloon up, don't tie the balloon, put the balloon on the straw, put the string in the straw and let the balloon go.

Making energy into something else. For example: a basketball bounces higher than a tennis ball. If you put the tennis ball on top of the basketball, the tennis ball goes higher than the basketball.

We put water in a cup, swirled the water and put in a little ball and kept swirling the water.

I dropped it on its bottom and the little ball went flying. We went in groups. My group didn't make a rainbow. We made goo, it felt like goo. It felt springy. We made Kinetic sand. It was my favourite activity. I loved Science Day. I wish we had another minute.

Zoe Taylor

Grade 1

I went into Lyn's car with Nick, Jye and Nash. We drove to Elmore Primary School and we went into some lines. Then we went inside to keep going with the Science activities.

We made Balloon Rockets, Goo, Play-Doh, Kinetic Sand. Then we went to School. I loved Science Day.

Raygen Jobe

Grade 1

I went to Science Day last Friday to learn and have fun. Raygen, Jye, Nash and I went in Lyn's car to Elmore Primary School. We went in groups and I went in a room to make Rainbows. When the bell went we had recess.

Then the teacher said, "Recess is over, you can keep on going with your activities". We went with another teacher. We needed a ping pong ball and a plastic cup. You get water in the cup, shake it, then don't drop it on the side, you do drop it on the bottom of the cup. The ping pong ball goes up in to the sky. We made Balloon Rockets, Kinetic Sand and Volcanoes.

We go to keep our Play-Doh and our Kinetic Sand. I love Science Day.

Nick Van De Leur

Rural Communities Discussion Paper - Community Workshop

You're invited,

The City of Greater Bendigo invites you to attend a community workshop to provide feedback on the Rural Communities Discussion Paper. The Discussion Paper has been prepared to give the City a good understanding of its rural communities, what changes are occurring and what the priority issues and opportunities are.

When: **Monday 13 July 2015**
Where: **Raywood Hall**
Time: **7:30pm**

To read the Discussion Paper or fill out the online survey please visit
www.Bendigo.vic.gov.au/ruralcommunitiesstrategy
