THANK

YOU!

Hello everyone,

This week both grades are continuing to put a lot of effort into fine tuning their reading skills with a large amount of both conferencing and guided reading sessions taking place. The focus in Maths this week was on number patterns and multiplication. In our afternoon Integrated Studies sessions we are looking at food, healthy living smart choices. This week we started our first Art class on realistic drawing. The students learnt about detail and found their own images to use for next week's drawing session.

In order for Lynley and I to have time out of the classroom for planning, Bron Coffey has been teaching in both classrooms. Bron was going to take the children for Athletics practice but the weather didn't allow that so they have been doing more art related activities and even made their own treasure maps. We hope to get back into athletics practice next week.

Some parents have mentioned to me that there have been some inconsistencies in the bus pickup and drop-off times both before and after school. As a result I have revised our timetable, given it to all of the students that go on the bus to give to their parents and have also had a meeting with Mike who is the head of the Bendigo Bus Company. All rules and regulations are set out on the timetable and were agreed to by Mike but please feel free to call me if you have any queries.

MESSAGE FROM THE PRINCIPAL

Dear Parents,

Recently we have changed the way we approach the teaching of reading at Raywood Primary School. The students have a range of books to select from each week and have been asked to read at home each night and have it signed by a parent or an older sibling. The students are rewarded with Dojo points for consistently doing this however a lot of them are using excuses as to why they are unable read at home, and are choosing to read early before school starts. This program relies on consistent practice so please assist us by hearing your children read and signing their diaries each night.

Regards,
Acting Principal
Hayden Collins
