MESSAGE FROM THE ACTING PRINCIPAL

Half of Term 3 has already passed us by! It is going so quickly. The teachers and students have been out on the oval working hard to get ready for the cluster athletics tomorrow.

This week is Book Week and the students turned up today in a range of impressive costumes representing their favourite characters from stories.

I have received an email from the department requesting that I remind parents to complete the Parent Opinion Survey online. At this stage we have not had enough parents complete the survey. If you have no access to a computer or the internet then come into school and we'll set you up. It is really important, especially in a small school, to get as many parents to complete the survey as possible.

We are in the process of organising an afternoon where we assist parents in completing the online Working With Children check for volunteers.

Once we have printed out the forms, which have a bar code on the bottom section for processing by the Post Office, it will then entitle the parent applying for a W.W.C C to take it into Australian Post and get the photo taken free of charge.

Thanks,

James Hodgens (Acting Principal)
