Hello everyone,

Swimming lessons started this week at the Eaglehawk YMCA. The students were separated into 3 ability groups and have been learning about safe water play and how to perfect their different swimming strokes. Thankyou to the parents who have been collecting their children from the pool to save them having to spend extended time on the bus.

With Mrs Colbert away and myself as Acting Principal I want to let all parents know that if they have any issues/queries about school or believe their child needs help with an issue please contact me. If we don't know of an issue we can not resolve it.

Uniforms are available if you require them. Until all stock is gone, there is NO COST. We will be applying again to State School Relief for assistance. If unsuccessful, the school will let you know.

Spelling Rules and home reading has commenced. All students are expected to read to an adult as well as complete their spelling words. Many students are getting to school with this not completed so we ask that you help us to keep your children on track and progressing.

MESSAGE FROM THE PRINCIPAL

Having recently had external people enter our school and taking our students to swimming lessons, the staff at Raywood Primary have received amazing feedback about the manners and respect of our students. We have a fantastic cohort of kids at this school and are very lucky to have all the support from our local community members.

One policy at Raywood Primary is about the sharing of food. At no point can a student share their food with another student. If the children have eaten all of their food and are still hungry the school has provisions to assist.

Regards,
Hayden Collins
Acting Principal
