Christmas Club

Yesterday I went to the Christmas Club at the Raywood Town Hall. I got my name tag and then ticked my name off the sheet. We played a game with dice. The aim of the game was to get to the top of the tree. Next we had afternoon tea. We had a choc chip cupcake and red cordial as well as watermelon. After that we had to sing and heard a story about Mary and Joseph. Then we were told to go home. It was fun.
