SCHOOL EXCURSION:

Last Tuesday, Raywood Primary School went on an excursion to see the Spirit of Anzac Centenary Experience at the Exhibition Centre.

The children were given an I-pod each and headphones and walked around the exhibitions which showed what the Soldiers went through in World War 1.

It was interesting to see the trenches that the soldiers lived in actually looked like.

It was a great show and the children enjoyed listening to the stories.

After the Exhibition Centre, we went to the Discovery Centre where the children were challenged by all the hands-on activities available to them. We went into the Planetarium and were told about the planets and stars in our Solar System.

The last activity at the Discovery Centre was the Vertical Slide which many of the children (and Mrs Colbert) had a go at going down.

A great day was had by all.

Thanking you,

Mrs Colbert
