WARM UP WEDNESDAY

Please note : Noodles must be in a **CUP** not a packet!!!!

On Wednesday we had a very successful Gardening Day. The children and the teachers were magnificent—we weeded, planted and mulched until lunchtime. Our grounds, flower gardens, chook pen and vegetable gardens look beautiful—we are very proud of our school and love making it look great!!! We will be planting new vegetables, so be prepared when we bring them home to eat. We have attached some photos of our work for you to admire.
